

Self Adhesive Security Seals

KNR - Non residue VOID seal

The KNR NO-RESIDUE tamper evident material shows an obvious VOID/OPEN security message when the seal is lifted. Initially developed for use on the doors & hatches of aircraft (RON) Ideally suited for use on smooth or semi smooth surfaces. It gives visual evidence of tampering or entry to aircraft, vehicles, doors, sensitive equipment, lockers, containers, restricted areas etc.

- Supplied in reels with backing liner perforated
- Customised design text or logo together with sequential numbering are standard.
- Whilst there are 4 basic sizes available, any shape or size of seal can be supplied to customer requirement.
- Supplied in blue or red as standard but other colours are available for larger quantity orders.
- A range of STOCK SEALS is available for small order requirements.
